MEMORANDUM FOR: Director of Logistics

SUBJECT : Logistics-Finance Field Conference

REFERENCE : Memo dtd 25 Jan 57 to DD/S fr D/Log, subj.: "Proposed Annual Logistic-Finance Field Conference."

I have discussed the referenced memorandum with the Chief of the FE Division and we have agreed as follows:

a. We will not plan to have an annual Logistics-Finance Conference in the Far East area. As the need for conferences arises they can be scheduled.

b. We both understand the need for implementing a sound and effective Financial Property Accountability System at the earliest possible date. To this end we approve of a conference on [REDACTED] in May or as soon thereafter as possible for this primary purpose. Of course, inasmuch as key personnel will be assembled there discussion of other appropriate subjects should take place.

c. Only personnel essential to the early implementation of this program will be sent from headquarters as well as the field.
